# Why choose Hallmark?

With over 30 years of British heritage and expertise, Hallmark Panels Ltd is an industry leading manufacturer and supplier of composite doors. You can be sure that when choosing Hallmark, you're acquiring an exquisite and quality product.

With quality comes peace of mind. As a BSI 9001 Registered Company, we guarantee our products with both material and manufacturing warranties.

We are constantly evolving to ensure we meet the latest industry security, safety, and environmental standards so that we can offer you the widest selection of quality doors & panels.

Hallmark are proud to be winners of Composite Door Manufacturer of the year 2021 & 2022.

Voted for by installers & installation companies.

- ✓ Authentic woodgrain based on American Ash

# More reasons to choose a Hallmark door

Hallmark doors are made from the the UK's market leading GRP composite door slab. Our doors look great and can save you money on your heating bills compared to other doors in the market.

## Unparalleled Security

Thanks to its rigid polymer subframe, high density CFC-free polyurethane foam core, high impact resistant GRP skin and high quality multi-point locks. The door leaf and glazing system are major components when part of a door set and have a proven ability to achieve PAS24:2016, industry's enhanced security standard, a prerequisite in attaining certification to Secured by Design a police initiative to protect against unlawful intrusion.

## Exceptional Durability

High impact resistant glass reinforced polyester (GRP) skin.

## Thermal Efficiency

Tests prove a Hallmark GRP Composite Door is -

**19%** More thermally efficient than a 48mm solid timber core composite door.

**17%** More thermally efficient than a 44mm traditional timber panelled door.

## Stunning Aesthetics

The woodgrain finish was developed from oak tree grain, creating a beautifully authentic appearance. Unlike lesser doors, you'll find the same woodgrain effect and moulding design on the slim glazing cassette too, giving a seamless, elegant finish and impressive kerb appeal.

## Superb Sound Insulation

Weighted noise reduction of 31 decibels. It means you can be sure your new door will keep outside noise to a minimum, helping to make your home the haven you want it to be.

## Excellent Weatherproofing

Water resistant polymer composite rails that protect its core. Your door will keep the weather at bay and stay looking good for longer.

## Low Maintenance

Everything about a Hallmark GRP composite door is designed to be easy to maintain, including our insulated glass units. Simply clean with warm, soapy water.

# Locks

Hallmark uses quality highly secure multi-point locking systems as standard.

Trulock	AV2 Auto Lock	AV3 Auto Lock	YS170
Suitable for lev/lev & lev/pad handles. Simply lift handle to engage hooks and turn key or thumbturn to lock.	Usually used with bar handles or escutcheons. When the door is slammed shut the door is automatically locked. Entry requires a key to open. Exit requires a thumbturn to exit.	The AV3 has the same usage as the AV2 however, the AV3 comes with a day switch that can disable the auto locking feature. This is ideal if you are in and out of the property.	Suitable for lev/lev & lev/pad handles. Simply lift handle to engage hooks and turn key or thumbturn to lock.

# Cylinders

All doors come with a 1-star cylinder available key/key & key thumbturn. Optional upgrade to Ultion available.

## ULTION <sup>\*\*\*</sup> 3-Star Cylinder Premium Upgrade

Your door may look great, feel solid, and have a great multi-point lock, but what's the point if it can be disabled in a few seconds via an inadequate cylinder lock?

The Ultion lock has an incredible suite of security features that work to secure your home against major attacks on your door.

# Cylinder Positions

### Standard Position

Suitable for the Trulock, AV2, AV3 & YS170.

Usually used with lever/lever and lever/pad handles.

### Heritage Position

Suitable for the AV2.

Usually used with bar handles, escutcheons or ring pulls.

\*depending on width

# Thresholds

As well as the standard, integral frame threshold, there are a number of low threshold options available including low 15mm and 44mm aluminium, low 56mm PVCu frame and MDS Mobility Door Cill options.

44mm Aluminium

56mm UPVC

Low MDS70

Low MDS25

Low MDS80

Low MXS15

# Frame Options

Choose from either a Halo Chamfered (System 10) or Sculptured (Rustique) frame profile to complement existing windows & doors. Available in 72mm or 56mm reinforced with steel as standard.

Colour match the composite door frames both internally & externally or choose from 2000+ RAL colours.

## Side Panels

Choose from a number of composite side panel options to complement or accent your composite door. You can also benefit from positioning your letterbox in the composite side panel. Transom & flag options also available.

\*surcharge applicable for letterplates in side panels

✓ GLAZED
